Registration: <http://wifss.ucdavis.edu/agroterrorism/classes/classesbydate.php> or email mvicino@wifss.ucdavis.edu

The purpose of this course is to train the members of frontline teams how to recover from a potential incident of agroterrorism
Space is limited, so early reservations are recommended.

CONTENT WILL INCLUDE

- Strategies to identify community assets to support recovery operations
- Recovery planning that must be present to initiate and manage a food/agriculture disaster
- Operational considerations and techniques for directing the recovery from an incident
- Guidelines for accessing and managing financial resources in recovery operations
- A framework response to ensure that recovery restores public confidence

SUGGESTED ATTENDEES

- Emergency responders, supervisors and managers, law enforcement officers, fire/rescue, EMS and OES
- Federal, state & local public health and environmental health agencies
- Hospital clinicians, administrators, health care providers
- Environmental health and public information officers
- Agriculture industries, including cultivation, processing, distribution, storage, transportation, veterinarians and extension advisors
- Elected or appointed public officials

Foreign Nationals/Non-citizens may take this course but must have DHS pre-approval 30 days prior to course date. Please contact a WIFSS Representative.
