Nature Nights Program

“Swainson’s Hawks of the Central Valley”

presented by

Judith Lamare, PhD

President of the Friends of the Swainson’s Hawk

Friends of the Swainson’s Hawk is a grassroots, volunteer organization which is “dedicated to seeing the Central Valley’s population of Swainson’s Hawks flourish for all generations to come.”

Learn what’s currently being done to help protect California’s Swainson’s hawks and the habitat they depend on.

Find out how you can help too.
